About Alison

Alison is an Interior Designer and Project Manager with 20 years of experience in tenant improvement projects. She has built productive and long lasting relationships with a diverse range of clients, both locally and nationally. Her passion is delivering high quality design tailored to each specific project. Alison has a keen understanding of the comprehensive TI delivery process and a proven ability to align the design effort to meet the project budget. Her depth of experience and strategic thinking / problem solving approach to all projects makes Alison an invaluable resource to the project team.

What Excites Alison Most about Google: Smart is the new sexy! When any question pops up, what is the easiest answer? Just GOOGLE it... I want to work with those crazy inventive minds that created such a world changing tool.

“Alison is a knowledgeable, creative and adaptive individual with a penchant for detail and quality outcomes. Her calm demeanor and expertise adds to her gift of problem solving. I have found Alison to be a highly personable and pleasant individual who always provided the highest quality service in her capacity as architect.”
